

Young Saver Account for under 18s

Leeds Credit Union's Young Saver Account is a great way to give children and young people the best start to managing money in adult life.

For children up to age 11 an adult will need to open and run the account. Young people from 12 to 18 years can open and run their own account with consent from an adult signatory which could be a parent, grandparent, guardian or other responsible adult.

With a minimum balance of £1, the Young Saver Account provides instant access and unlimited withdrawals – as well as a regular return on savings through our annual dividend.

Just like the major banks, Leeds Credit Union is a member of the Financial Services Compensation Scheme which means that all savers can rest assured that their savings are safe with us.

If the Young Saver is joining through their School Saving Club then the school can verify their identification. If not, the adult signatory must provide two official documents proving their name and address as well as the Young Saver's birth certificate.

*Financial Services Compensation Scheme information sheet

You can view the FSCS information sheet and exclusions list on our website, or alternatively you can request a copy in branch or by emailing services@leedscitycreditunion.co.uk.

**Employee Finance Scheme

It is free for employers to join our Employee Finance Scheme. If you are interested in becoming a scheme member and are not sure if your employer is part of the scheme, please contact us to find out. If your employer is not on board, why not ask them if they would like to join? Find out more at www.leedscitycreditunion.co.uk/payroll-services.
